Adjacent to the Eastern Florida State College Melbourne Campus, this 391.04-acre regional park features a wide variety of recreational opportunities. A scenic drive winds through the park's open areas, pine woods and lakes. Camping, community events, special interest and equestrian activities are hosted at this expansive park. Nestled in the pine forest are 133 campsites with water, electric, and sewer hookups, as well as overflow campsites for special events. A group camping area, laundry, and shower rooms are

nearby.

Recreational amenities include 2 unguarded swimming lakes, disc golf course, horseshoe pits, volleyball courts, archery area, playground, multi-purpose and soccer fields (home of Space Coast United Soccer), and the Wickham Park Senior Center. An exercise trail, nature trails, a dog park, and horse trails offer additional attractions, with an equestrian area at the southwest corner of the park. The office/visitors reception facility is near the park entrance, with several pavilions and many picnic tables located throughout the park, including an amphitheater centrally located near the campgrounds.
